Lindsey [REDACTED] Miller, [REDACTED] 1971, Crown Office, 25 Chambers Street, Edinburgh, EH1 1LA

1. Please explain the COPFS systemic review into institutional racism following the Jandoo report, including how this review was conducted, what issues the review identified and how these issues were overcome.

I have no personal knowledge of this. As indicated in my first statement to the Inquiry at paragraphs 5, 72 and 76, I was Secretary to Sir Anthony Campbell's non statutory inquiry into Crown decision making during the investigation of the murder of Surjit Singh Chhokar. Following the completion of that Inquiry I transferred to another role within COPFS and had no direct involvement in the implementation of Sir Anthony's or Dr Jandoo's recommendations.

2. Please explain the position of this systemic review by May 2015, including any approach, policy or strategy for ensuring that COPFS would not be institutionally racist at this time.

I refer the Inquiry to answer 1 above.

3. Please provide information on the COPFS steering group set up following the Jandoo report, including the membership, the aims and objectives of the group and the extent to which these aims and objectives were achieved to date.

I refer the Inquiry to answer 1 above.

4. Please provide information of the policy and strategy in relation to training on race in May 2015, including the extent to which this related to preventing institutional racism in COPFS.

The extent of my personal knowledge on this matter is set out at paragraphs 81 – 84 of my original statement.

5. I believe the facts stated in this witness statement are true. I understand that this statement may form part of the evidence before the Inquiry and be published on the Inquiry's website.
